REPORT AND RECOMMENDATION

Pursuant to 28 U.S.C. § 636(b), I conducted a plea hearing in this case on November 2, 2006. At the hearing, defendant entered a plea of guilty to a lesser included offense contained within Count One of the Indictment, Conspiracy to Distribute 5 grams or more of cocaine base in violation of Title 21, United States Code, Sections 841(a)(1) and (b)(1)(B) and 846 in exchange for the undertakings made by the government in the written plea agreement. On the basis of the record made at the hearing, I find that the defendant is fully capable and competent to enter an informed plea; that the plea is made knowingly and with full understanding of each of the rights waived by defendant; that it is made voluntarily and free from any force, threats, or promises, apart from the promises in the plea agreement; that the defendant understands the nature of the charge and penalties provided by law; and that the plea has a sufficient basis in fact.

I therefore recommend that defendant's plea of guilty to a lesser included offense contained within Count One of the Indictment be accepted, that the Court adjudicate defendant guilty of the charges set forth in Count One of the Indictment. I further recommend that defendant be taken into custody pending sentencing in this matter. Acceptance of the plea, adjudication of guilt, acceptance of the plea agreement, and imposition of sentence are

specifically reserved for the district judge.
